## Why Call Meals on Wheels?

- ◆ Long-term care for the home-bound and those in need, where no other source for appropriate meal preparation is available.
- ◆ Short-term help to recover or prepare for procedures or rehabilitation. Strengthens and increases chances of medical success.
- ◆ Increased safety and a connection to the community.

## How Does it Work?

- ◆ All ages, all incomes
- ◆ Hot meals delivered mid-day (Monday thru Friday)
- ◆ Meals are diabetic & heart friendly; special diets available
- ◆ More than 8% pay full price for service
- ◆ Approximately 76% of our recipients receive their meals at no charge to them
- ◆ About 16% are charged on a *sliding scale*, based on ability to pay

## Funding Benefits

- ◆ Meals on Wheels receives no federal or state funding. We are a local organization meeting the needs of our neighbors.
- ◆ We are entirely supported by donations from this community.
- ◆ Able to respond to special situations -filling the gaps, bridging the needs.
- ◆ No check boxes, no governmental regulations.

2017/2018 Income

## Great to Know about Meals on Wheels

- ◆ In 2014, we started serving Emergency Meals (e-meals) for those in crisis while longer term solutions are being finalized: 3-5 days of meals, no cost to them, no paperwork hassles.
- ◆ In 2015, we started a new program based on the suggestions of area physicians: pre- and post-treatment care (surgery, chemo, etc.)
- ◆ In 2016, to further benefit our meal recipients we strengthened collaborative partnerships with area non-profits, including Blue Ridge Area Food Bank, ParkView Mission, and the Red Cross.
- ◆ In 2017, we launched the Steward's Society, an initiative designed to insure we will be here to serve the increasing needs of our homebound neighbors, well into the future.

**Good nutrition helps people stay healthy and stay at home longer.  
It costs more to stay in the hospital for 1 day than it does to deliver a full year's worth  
of hot meals from Meals on Wheels!**
